

Library Services and Schools

Strategic Library Review

- 2011 in-depth review of the service offer in response to future trends
- Focus upon children and literacy
- Literacy and reading strategy

Targets

- Increasing work with schools - to reach 50% by 31 March 2012
- 100% Library membership by children of primary school age

Current Performance

- 35% primary schools reached in 2011/12
- 47,602 child members
- 87%

Proposed Approach

- Schools library membership pack
- Distributed to parents via primary schools
- completed membership forms returned to school and forwarded to the local library
- No ID requirements

Feedback and questions?

Supporting Literacy and Learning

- Class visits to the library
- Librarian visits to school
- Support for promotions and book weeks
- support from the SLRS
