# Early Years Foundation Stage: SEN Pupils

Attainment of SEN pupils without a statement **fell by 1pp** from 2013 to 2014, whilst **attainment increased for these groups across London and nationally** (by 7pp and 5pp respectively)

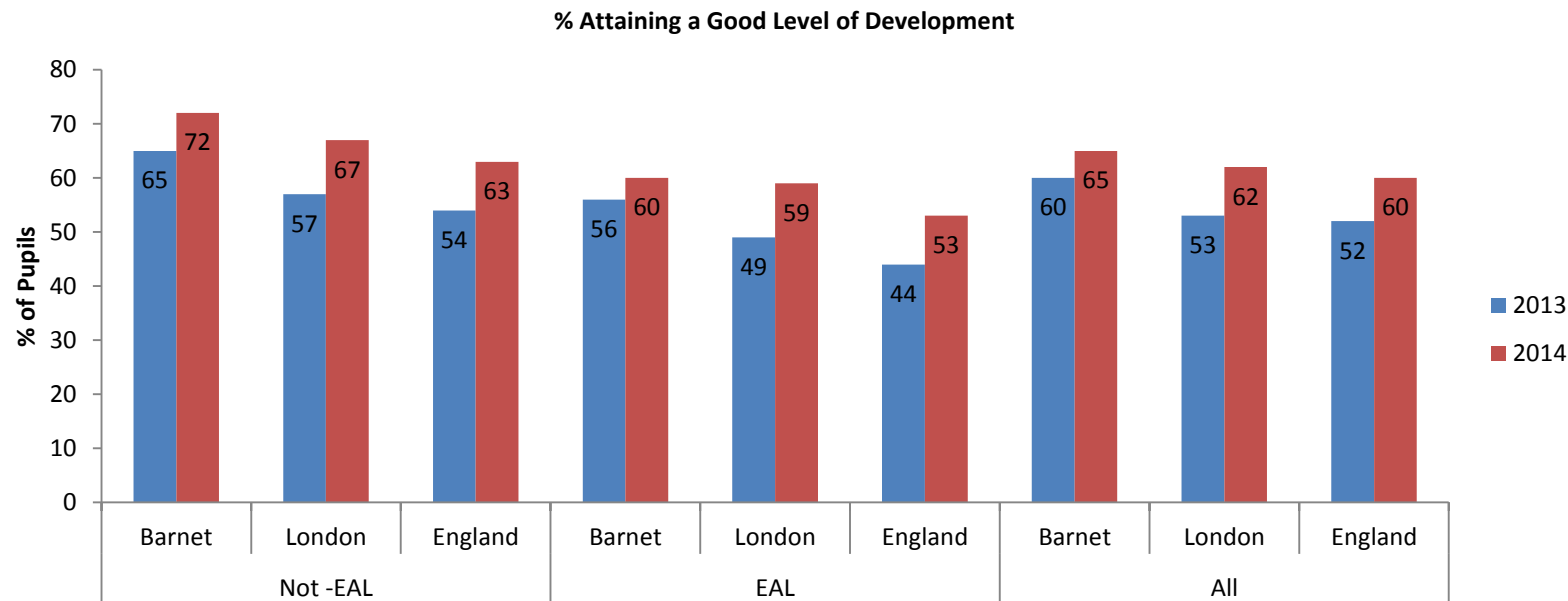

# Early Years Foundation Stage: Ethnic Groups

**60% of Black pupils** attained a good level of development (compared to 61% across London and 59% across England)

The attainment gap for Black pupils in Barnet narrowed from **10pp in 2013 to 5pp in 2014** (London gap widened from 0pp to 1pp and the gap in England remained at 1pp)

## Early Years Foundation Stage: EAL Pupils

Attainment of Non-EAL and EAL pupils were **above** London and England

The attainment gap for EAL pupils increased from **9pp in 2013 to 12pp in 2014** (the attainment gap across London remained at 8pp and across England 10pp)

# EYFS Summary

## Successes:

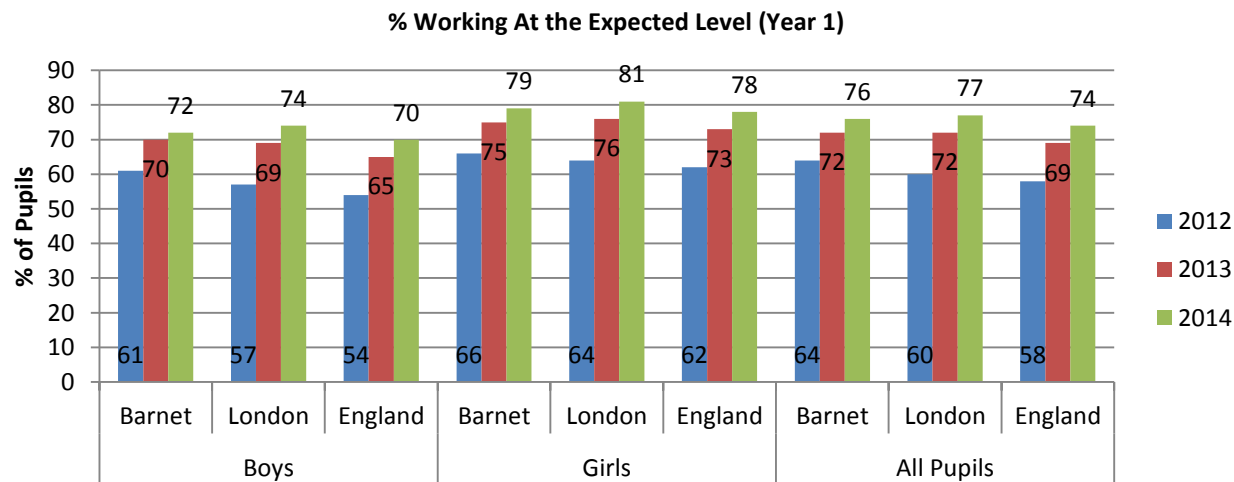

- FSM gap narrowed at a greater rate than London and national
- The Black Pupil attainment gap (against the Barnet average) narrowed by 5pp from 2013 to 2014
- Attainment of EAL pupils were above London and England

## Areas for Development:

- Attainment of SEN pupils without a statement fell by 1pp from 2013 to 2014, whilst attainment increased for these groups across London and nationally (by 7pp and 5pp respectively) but still above London and National
- A lower proportion of Black pupils attained a GLD compared to London, however we are now above the England average (last year we were below) and we have improved by 10% year on year compared to 8% for London and England and are now just 1% below the London average instead of 3%
- The attainment gap for EAL pupils increased from 9pp in 2013 to 12pp in 2014 (wider than London and national)

# Phonics (Year 1): SEN

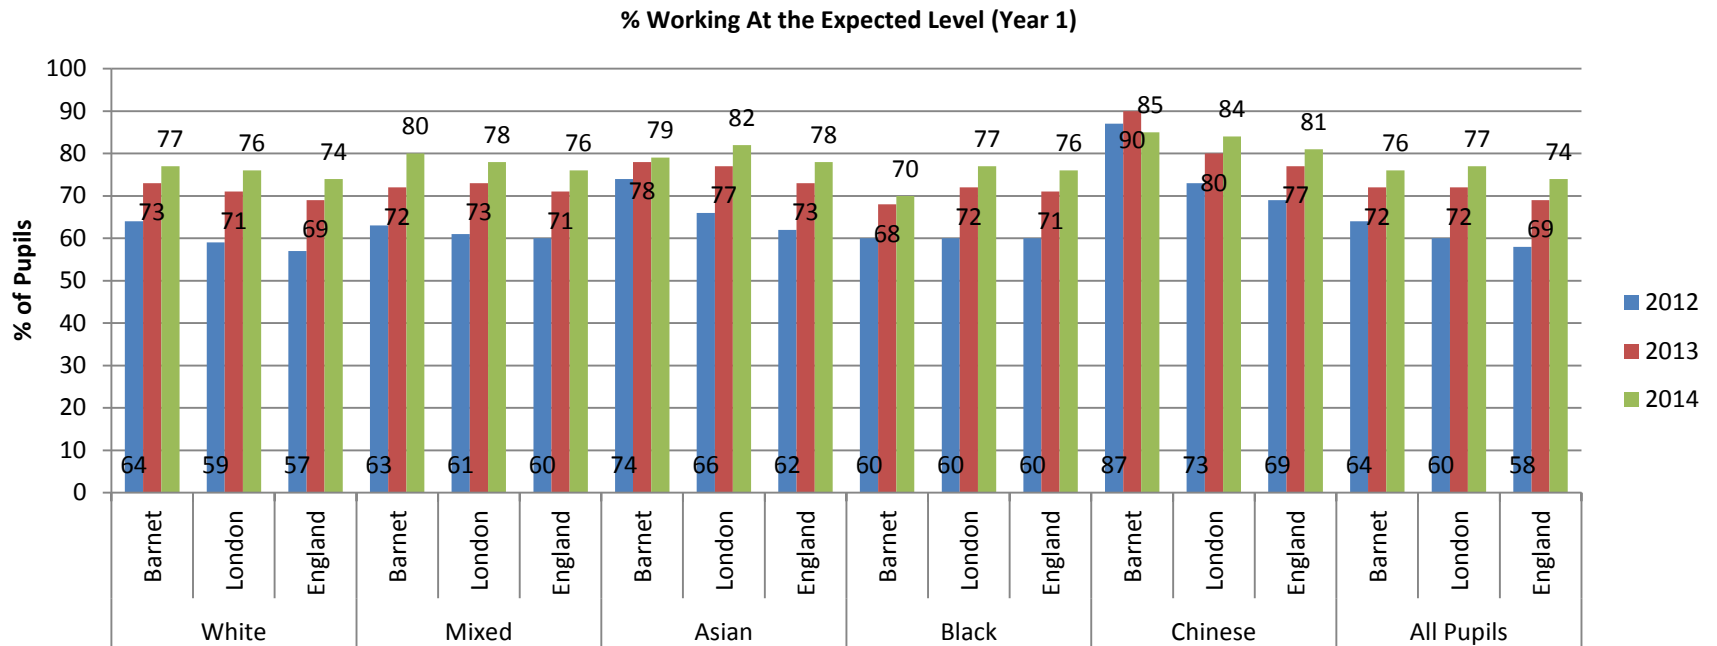

Attainment of SEN pupils (both with a statement, and those without a statement) **remained in line with 2013** (in London and nationally the proportions increased)

Within the SEN groups, attainment of School Action Plus pupils **increased by 3pp** to 45% (below London at 46%)

Attainment of School Action and SEN Statemented pupils remained in line with 2013

# Phonics (Year 1): Ethnic Group

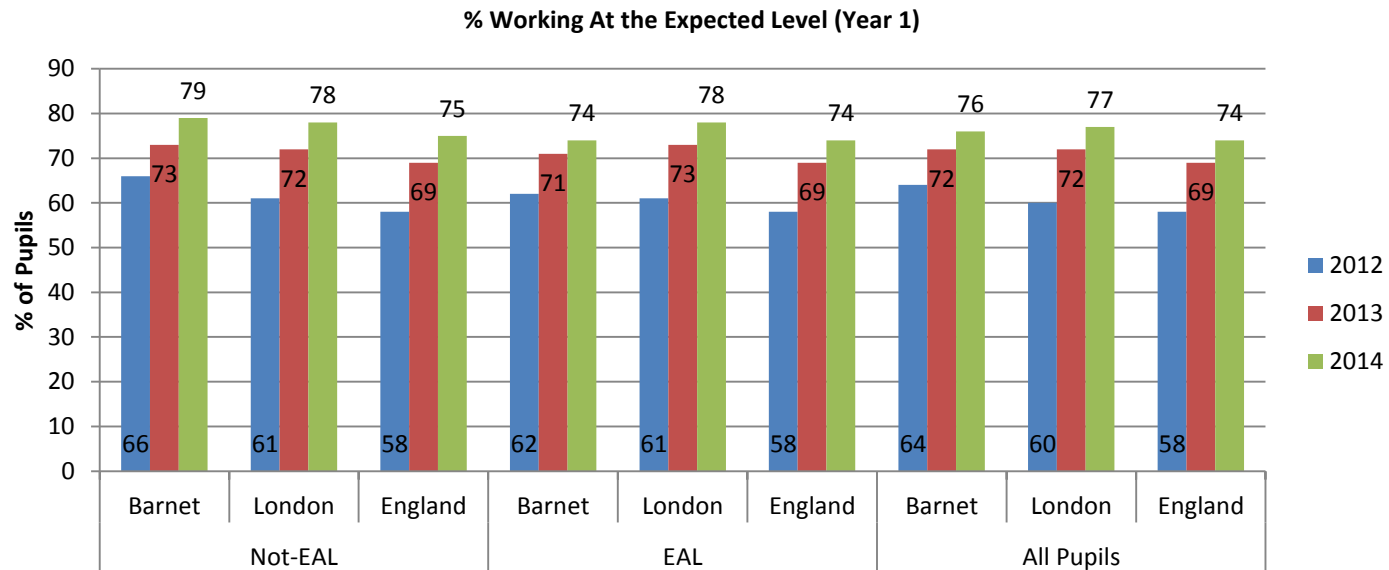

In Barnet, a **lower proportion of Asian and Black pupils** are working at expected levels compared to their counterparts across London

Black pupils are **less likely to be working at expected levels than their counterparts nationally** (70% compared to 76%)

Attainment gap for Black pupils (against the average for all ethnic groups) **increased from 4pp in 2012 to 6pp in 2014** (nationally the gap was 0% in London and +2% in England in 2014)

# Phonics (Year 1): EAL Pupils

74% of Barnet EAL pupils are working at expected levels, **below EAL pupils in London** (78%) and **in line with EAL pupils nationally** (74%)

The Barnet EAL attainment gap **increased slightly** from 4pp in 2012 to 5pp in 2014 (in London the attainment gap is 0pp and nationally 1pp)

# Phonics (Year 1) Summary

## Successes

- Attainment of FSM pupils is above London and national, and gaps are narrowing at the same rate

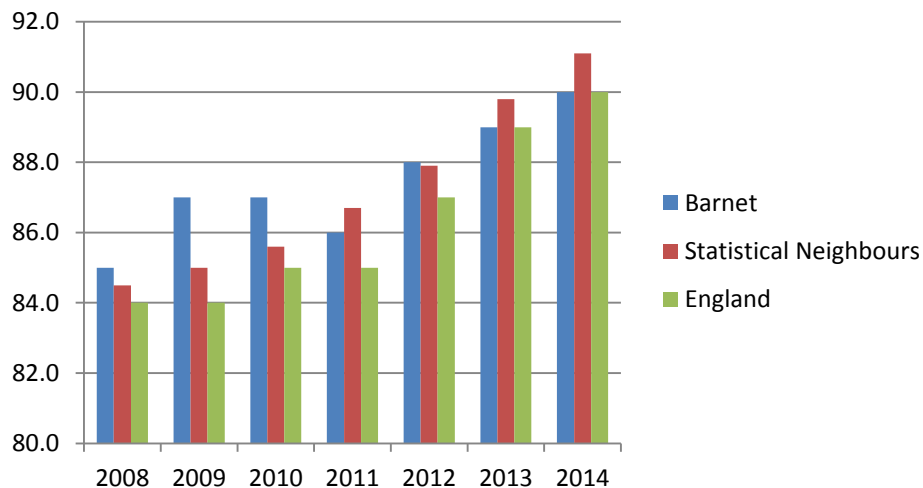

## Areas for Development

- Attainment in phonics is below Barnet's statistical neighbours
- Attainment of Barnet Black pupils is below London and national
- Attainment gap for Black pupils has increased from 2012 (no attainment gap nationally or in London)

Green and red highlight where actual results are significantly above or below national attainment for each pupil group

## Progress (Value Added)

Green and red highlight where pupils' progress is significantly above or below the national average  
FFT uses pupils' prior attainment, gender and month of birth to analyse pupil progress (value-added)

# Key Stage 1 Summary

## Successes

- Low attainers and FSM6 pupils attain significantly above national in Reading and Writing

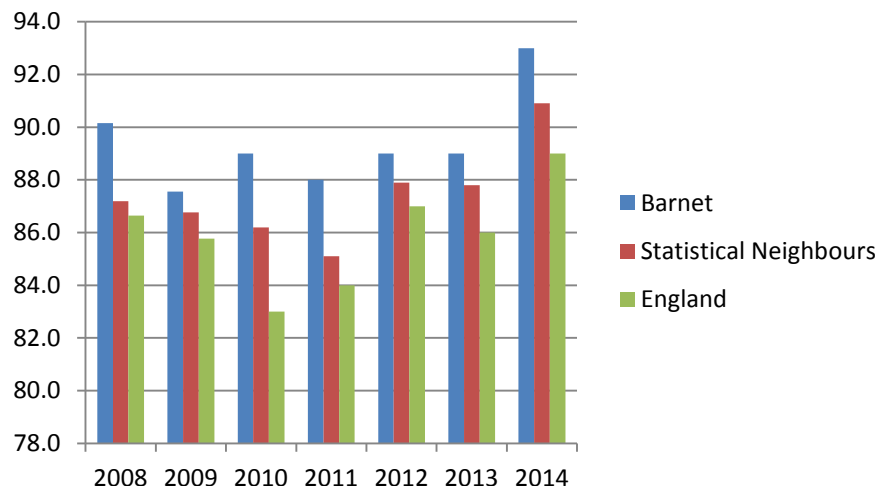

## Areas of Development

- School Action and School Action Plus pupils do not make as good progress as expected from EYFS to KS1
- Black Caribbean and Black African pupils are significantly less likely than nationally to attain the expected level at KS1 and make expected progress in Reading, Writing and Maths
- Although attainment of SEN School Action and School Action Plus pupils is significantly above pupils nationally, they should actually be doing better relative to their starting points
